Draft
23 September 1953

The Honorable William Langer
Chairman
Committee on the Judiciary
United States Senate
Washington 25, D. C.

Dear Mr. Chairman:

Reference is made to your request to this Agency for a
STATINTL
report on [REDACTED] a bill for the relief of the widow and children
STATINTL
of [REDACTED] STATINTL

A review of the files of this Agency indicates that [REDACTED]
was never employed by CIA or its predecessor agencies; however,
over a period of time he did have contact with CIA, although all
such contact had ceased some months before his untimely death.
However, in view of the fact that he was not employed by CIA,
we were not able to be of any assistance in the formal considera-
tion of his case by the Bureau of Employees' Compensation of
the Department of Labor.

A review of our files in this case leads us to the conclusion
that we should impose no objections to the favorable consideration
STATINTL
and passage of [REDACTED]

Sincerely yours,
